Total Door Care & Repair

Preventative Maintenance

Our Service Offer

Protecting and extending the life cycle of your investment

Our Full Service without Compromise

- All brands/models
- 24 / 7 / 365 operation
- Full national coverage
- Highly qualified technicians
- Real time reporting
- High 'first time fix' ratio
- Substantial van stocks
- Repairs & parts supply
- Competitor product knowledge & support
- Proven track record

We offer a Full Service and MOT on your door, not an inspection! Our vans are 'mobile workshops' enabling critical repairs to be carried out immediately.

Highly Trained Technicians & Quality Standards

Our policy of continuous improvement to our service ensures that all our technicians receive annual assessments on product knowledge, legislation updates and quality standards. They also carry licences for working on access equipment and are insured to work with your own equipment.

Cost Value Benefits of being an Interdoor Service Customer

- Preferential attendance for call outs
- Preferential call out rates
- Reduction on spare parts costs
- Reduction on repair costs

Preventative Maintenance

Your Peace of Mind

Safety & Compliance

In this litigious world, undertaking a service contract with a reputable door company can help you comply with the following:

- Duty of Care under the Health & Safety at Work Act (1974)
- PUWER Regulations Provision & Use of Work Equipment 1998 (ISBN 978 0 7176 6285 2)
- Workplace (Health, Safety & Welfare) Regulations (1992)
- Approved Codes of Practice (ACOP 22) for Regulation 5 of the Workplace (Health, Safety & Welfare) Regulations (1992)
- DDA Disability Discrimination Act 2004

Technical Regular Maintenance

- Extends the life expectancy of the door
- Improves site security and could reduce site insurance costs
- Allows door safety to be maintained
- Helps reduce costly repairs
- Increases the efficiency and effectiveness of the door

“Even though we were 2 hours away from the nearest motorway the response we got from Interdoor was superb!”

S.W - Barrow-inFurness.

Emergency Call Out

Rapid Response

UK Wide Rapid Response Emergency Call Out

Interdoor prides itself on employing some of the most experienced and highly trained door technicians on the market.

Supported by our qualified administration team, our technicians are able to provide 24 hour rapid response emergency visits to a customer's premises in order to quickly and efficiently review the problems and concerns with a customer's door(s), and 97% of the time, fix the problem immediately.

Together with our comprehensive know-how and specialist equipment used by all our technicians, we can attend your premises and help repair your specialist doors in the most efficient and quickest way possible.

Interdoor Service customers receive discounts on all emergency call outs and repair work.

“Our vans are equipped with a wide range of critical spare parts to achieve our high first time fix rate. For those doors we can't repair immediately we obtain replacements from our reliable network of suppliers quicker than the majority of companies in the industry in order to keep downtime to a minimum”

Parts & Operations Manager – Interdoor Limited.

Spare Parts

Spare Parts

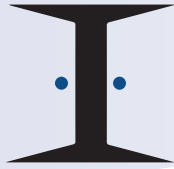

Access to Interdoor & Competitor's Spare Parts

Interdoor prides itself on having access to a wide range of spare parts for most industrial and hygienic doors used in the United Kingdom.

Whether it be for a door supplied by Interdoor or any other door company, the Specialist Parts Team at Interdoor can provide you with a large selection of parts for your industrial or hygienic doors with some of the shortest lead times on the market.

Interdoor Service customers receive discounts on all spare part orders.

INTERDOOR

SPECIALIST INDUSTRIAL DOORS

“One of the UK’s leading names in specialist Industrial & Hangar Doors”

The Interdoor name is known throughout the UK as a company associated with the supply, installation and maintenance of high quality, highly technical industrial and hangar doors.

Our comprehensive range of high efficiency products covers every conceivable application.

Whatever your requirement, you can rely on Interdoor’s unrivaled experience to provide doors to the most stringent specification for every possible environment.

The Complete Solution!

We have maintained our leadership in the market, not simply by supplying the best doors and equipment; but, by offering a complete service package. This includes on-site installation by our highly qualified technical team of field based engineers. Our technicians can handle every aspect of the project from site survey to dismantling redundant equipment before installing the new doors with a minimum amount of disruption.

Service without Compromise

Interdoor offers full back-up and support which includes rapid response for on-site service plus an optional programme of maintenance and service contracts. Our highly trained engineers are on call 24 hours a day, 7 days a week. Our fleet of service vehicles carry a wide range of replacement parts so downtime is kept to an absolute minimum.

Interdoor Limited pursues a policy of continuous improvement to its products and services and reserves the right to alter product specifications and service levels without prior notice.

Whilst Interdoor Limited has taken every care to ensure the accuracy of the information, data or advice contained in this brochure; no liability of any nature in respect of such information or advice given negligently or otherwise is accepted or can be accepted by Interdoor Limited.
